### **CERTIFICATE OF INTERNSHIP**

This is to certify that the project report entitled “Climatology of temperature, humidity and precipitation patterns over Kerala derived from INSAT 3DR satellite products” has been carried out by **Mr. Anugrah S** (KTE22MCA-2011), a student of the Department of Computer Application at Rajiv Gandhi Institute of Technology, Kottayam.

Mr. Anugrah S completed this project as part of his internship from February 1st to April 30th under my supervision and guidance. Throughout the internship period, he exhibited commendable dedication and perseverance in executing the tasks assigned.

The work presented in this report has not been submitted for the award of any other degree or diploma to any other university or institution.

Dr. Saleem Ali CK  
(Project Supervisor)
